The play, "Foul Is Fair," is to be put on at the Washburn chapel on Friday night, May 20. The parts are to be taken exclusively by members of the class, many of whom have had previous experience in dramatic club and high school plays. Of course the pretty girls have been saved for the choruses, as well as the handsome men, for even college seniors realize what "takes" best in a chorus.

The leading parts are to be taken by Miss Fern Fitzpatrick, whose reputation extends beyond her high school days, and Mr. David Ferguson, commonly known as "Fergy," who has been a member of the Washburn Dramatic club for four years. The cast is representative of every department at Washburn. The clever

comedienne hails from the Medie school while one of the fierce villains can be seen hastening to rehearsal from one of those awful law school examinations.
